COUNTRY CLUB INC

Dear Prospective Member,

Thank you for your inquiry into membership at Rock Ridge Country Club. After you review the enclosed materials, I hope that you will schedule a visit to see firsthand all that our club has to offer.

Established in 1954, Rock Ridge was originally created as a small, private club where members could gather together with their friends and associates to enjoy a day of golf and camaraderie. Over a half century later that tradition continues and Rock Ridge is still all about coming together to enjoy quality time with family and friends. Yes, we're still a small club, but our limited membership also plays a large role in our success.

"Relax and play with family and friends", that's the essence of life at Rock Ridge. We're a family focused club and whether you enjoy golf, tennis or swimming, we're sure that you'll always find a welcome environment for your level of enjoyment.

If you love golf, then you'll enjoy the fact that tee times are rarely needed. The golf course at Rock Ridge is an exceptionally maintained and challenging nine-hole course featuring separate tee areas for playing an eighteen-hole round. Our bent grass greens are some of the best in Fairfield County, and we have a dedicated PGA Pro and qualified staff that maintains a full schedule of tournaments and activities for those members who seek a challenge. If a relaxing game is what you enjoy, then rest assured that you'll find it here as well.

If tennis is your passion, then we welcome you to enjoy our beautiful Har-Tru tennis courts. Play at your own pace, or if you are looking for a bit more, then speak to our professional staff about participating in tournaments, or with the organized groups that play regularly. Our professional tennis staff is friendly, energetic and always ready to assist you with your game.

If you enjoy swimming, then our pool area features a heated pool and comfortable lounge chairs that await your sun-filled afternoons. Our pool is a great place to socialize with friends or for just relaxing and reading a book. If you have a toddler, then our separate wading pool is a safe place for them to cool off as well.

Our junior sports programs are popular with the membership and they are a great way for your child to meet new friends, and an exceptional way for them to learn or to improve their swimming, golf or tennis skills. Our junior programs are open to children of all skill levels, and they offer a fun, instructional and competitive environment that will enrich your child's time at the club.

After a lively day of outdoor activities, join your friends and family on our patio for a delicious sunset dinner. Friday nights are especially pleasant as the patio is often filled with the sounds of live entertainment. After dinner, join your friends at the fire pit, and round out your evening sharing drinks and stories by a nice fire.

Once you settle into life at Rock Ridge you'll see why some people call our club "The most comfortable private club in Fairfield County."

Please call the business office at 203-426-2106 with any questions that you may have or to schedule a tour of the club, or call me at 617-852-2256(c) or send me an email at [rob.f.marks.jr@gmail.com](mailto:rob.f.marks.jr@gmail.com). I would welcome the opportunity to meet with you personally to discuss our various membership options.

Sincerely,

Rob Marks

## Testimonials

“I’ve been a member at Rock Ridge for ten years and the club has become like a second home for me and my family. I’ve met so many wonderful people who have become close friends and the incredibly friendly staff makes it a welcoming experience every time we’re there (which is often!). My wife recently took up golf and the club is the perfect place for her to learn as many folks are willing to play with beginners and the course is perfect for heading out for even a couple of holes late in the day. Best of all, I’ve found the club the perfect place to spend time with my children, especially my son on the golf course. I bring lots of guests to Rock Ridge and their reaction is almost always the same—that the golf course is in impeccable shape with amazing greens and is a lot more challenging than it looks on the scorecard. They also tend to comment that it is one of the “most comfortable” private clubs they have ever visited. Part of that is the wonderful restaurant. In fact, the food is so good and the grill room so inviting that my kids kept asking me over the winter when the club was opening up again!”

“I joined Rock Ridge after having been a member of a well-known country club in Fairfield County for a long time. I took a leave of absence from my former club so that I could return if my wife Veronica and I did not find the Rock Ridge experience rewarding. After my first year here I am pleased to say that joining Rock Ridge was one of the better choices we have made. The staff and membership have been warm and welcoming and we have made many new friends. I play a lot of golf and being a new member without knowing many existing members can be challenging when trying to get a game, but that was not the case at the Rock. There are monthly tournaments where members are matched randomly and a season long Thursday evening league where foursomes are made as players arrive. By participating in these events I have had the opportunity to play with most golfers at the Rock. The club facilities and great dining have complemented the golfing experience.”

“Rock Ridge has definitely become a second home for our family. Our two children have practically grown up at the club, and spend most of their summer hours playing at the pool and participating in the many youth programs throughout the day. Between the fantastic golf course, grade A tennis courts and fabulous pool, there is something for every member of our family. And when we've played all day, the excellent food at the restaurant really hits the spot. With all that, still the best part is that we've all made many great friends here at Rock Ridge. The atmosphere is very relaxing and that is a result of the extremely fun and friendly membership and courteous staff. When we joined seven years ago, we never imagined we would enjoy this place so much!”
